

Welcome, welcome, welcome, to the 107th Great Mississippi Valley Fair. On behalf of Mississippi Valley Fair Board and myself, John Paustian, we would like to thank you for your continued support and hard work that you do to make this the best fair in the state.

From all of the 4-H projects that are worked on throughout the year, to the superintendents that help bring those projects together, the sponsors, vendors, midway acts, grounds crew, staff and the Fair Board Members, we all work together to make the first week in August the best week of the summer.

This year we finished the grandstand remodeling with new decking and roof, new car parking with concrete in front of the office, and we refinished the floor of the Starlite and added new handicapped accessible doors.

Each year the board and staff work hard to bring new and exciting events to the fair, and this year is no different. This year we have added new one-day tickets to grandstand acts, more educational events in the Iowa Building and more family friendly activities to make the fair the most fun and memorable event of the summer.

The Board of Directors, Shawn Loter, and his staff are very excited this year to be bringing you one of the best and most memorable fairs in the state and look forward to seeing you and all that you bring to the fair.

From our Fair Family to yours, we wish you love, happiness, and luck in your adventures this year at the Great Mississippi Valley Fair and beyond.

Sincerely,
John Paustian
